Dear Applicant

Thank you for expressing an interest in the team selection events for the very first Inter-Regional Rally competition taking place at Crufts 2017.

We are pleased to announce that there are 5 team selection events in various locations within the Midlands area, giving everyone the opportunity to come and show us what you and your dog can do.

The team selected to represent the Midlands area will be chosen by Team Manager, Julia Bodsworth and assistant Team Managers Karen Kendall and Carole Thornley. We are looking for dogs of any breed or cross to compete at all levels, and selection will be based partly on performance at the selection event, results achieved throughout the year, experience, personality and your ability to demonstrate that you are a 'team player'. If you are just starting out in Rally and think you and your dog could successfully represent the Midlands region but may not have any or many competition results, we still want you to come along so we can meet you and see you and your dog in action.

Please complete the attached application form and return it to the team manager - postal and e-mail addresses are at the bottom of the form, ensuring your application is received no later than 5 days before your chosen selection event. When completing the form please make sure you apply for the correct level, which is what ever level you are eligible to compete at, at an open show on 31/10/16. For example, if you are currently working in level 2 and enter the competition on 23/10/16 and qualify out of level 2 at that competition, you are then eligible to try out for level 3.

We look forward to hearing from you, meeting you and your dog and picking the winning team.

If you have any questions about the team selection events, eligibility or anything else please contact Julia on 07976587098 or by e-mail: midlandsrallyteam@hotmail.com

Julia, Karen and Carole.
